

HOUDA BAKKALI WAS AWARDED WITH THE GRAPHIS SILVER AWARD FOR THE ARTWORK "BEAUTIFUL AFRICAN WOMAN"

The Spanish artist Houda Bakkali has been bestowed with one of the most prestigious awards for illustrators. Her work presents the strength of all women, the brilliance, the solidarity and other qualities but focusing on the main personality traits of her mother.

Bakkali based her artwork on digital illustration technique in combination with a digital collage, offering a unique sensation about the world and using the lines and colors in a simple and elegant form.

We would like to congratulate Houda Bakkali for the award.

Houda Bakkali Graphis Silver Award Poster Annual 2020 – HBakkali

About: This digital illustration is a colorful and pop representation of the world in which we live, a world with too few fish and too few loaves. Color, optimism, rhythm and freshness for a dark world in which every day...
